

Serial No. 10/619,119

R E M A R K S

This 1.312 amendment adds claim 17 which is exactly like allowed claim 1, but deletes reference to LED spacing; however, it retains the 13 to 18 LEDs in each row. The claim also includes all of sub-paragraphs e) and f) structure and circuitry added in the last amendment. Accordingly, the claim is believed and urged to be allowable over the references for the reasons listed in the REMARKS accompanying the last amendment.

Allowance of added claim 17 is respectfully solicited.

Respectfully submitted,

William W. Haefliger
